A party is not obligated to give its reasons for giving or withholding consent or for giving consent subject to conditions.

14. Assignment and dealings

The Owner/Developer agrees that this Agreement shall be binding upon the Owner/Developer and upon their respective transferees, assignees or successors.

15. Costs

- 15.1 The Owner/Developer will pay its costs directly related, and incidental to negotiating, preparing, executing, stamping and registering the Agreement, including any costs of lodging/removing caveats on the title to the Land.
- 15.2 The Owner/Developer will pay Council's reasonable legal costs directly related, and incidental to Council's costs in its negotiating, legal vetting, executing, stamping and

registering and the Agreement and of drafting, registering and removing caveats on the title to the Land.

16. Entire Agreement

This Agreement contains everything to which the Parties have agreed in relation to the matters it deals with. No party can rely on an earlier document, or anything said or done by another party, or by a director, officer, agent or employee of that party, before this Agreement was executed, except as permitted by law.

17. Further acts

Each party must promptly execute all documents and do all things that another party from time to time reasonably requests to affect, perfect or complete this Agreement and all transactions incidental to it.

18. Governing law and jurisdiction

This Agreement is governed by the law of New South Wales. The parties submit to the non-exclusive jurisdiction of its courts and courts of appeal from them. The parties will not object to the exercise of jurisdiction by those courts on any basis.

19. Joint and individual liability and benefits

Except as otherwise set out in this Agreement, any agreement, covenant, representation or warranty under this Agreement by two (2) or more persons binds them jointly and each of them individually, and any benefit in favour of two (2) or more persons is for the benefit of them jointly and each of them individually.

20. No fetter

Nothing in this Agreement shall be construed as requiring Council to do anything that would cause it to be in breach of any of its obligations at law, and without limitation, nothing shall be constructed as limiting or fettering in any way the exercise of any statutory discretion or duty.

21. Representations and warranties

The parties represent and warrant that they have power to enter into this Agreement and comply with their obligations under the Agreement and that entry into this Agreement will not result in the breach of any law.

22. Severability

If a clause or part of a clause of this Agreement can be read in a way that makes it illegal, unenforceable or invalid, but can also be read in a way that makes it legal, enforceable and valid, it must be read in the latter way. If any clause or part of a clause is illegal, unenforceable or invalid,

that clause or part is to be treated as removed from this Agreement, but the rest of this Planning is not affected.

23. Modification

No modification of this Agreement will be of any force or effect unless it is in writing and signed by the parties to this Agreement.

24. Waiver

The fact that a party fails to do, or delays in doing, something the party is entitled to do under this Agreement, does not amount to a waiver of any obligations of, or breach of obligations by, another party. A waiver by a party is only effective if it is in writing. A written waiver by a party is only effective in relation to the particular obligation or breach in respect of which it is given. It is not to be taken as an implied waiver of any other obligation or breach or as an implied waiver of that obligation or breach in relation to any other occasion.

25. Explanatory note

The explanatory note put on exhibition with this Agreement is not to be used in construing the terms of this Agreement.

26. GST

26.2 The consideration for any supply under this Agreement excludes GST.

26.3 Where a party to this Agreement is taken to have made a supply to another party, the recipient of that supply must, in addition to the consideration payable for the supply and when paying the consideration for the supply, also pay to the maker of the supply an amount equal to the GST payable in respect of that supply. The recipient of a supply must also pay the GST payable in respect of a supply for which no monetary consideration is payable when the maker of the supply demands payment.

26.4 The maker of a supply must give the recipient a tax invoice in the form required by the GST Act at the same time it receives payment from the recipient of the GST payable for that supply.

26.5 Despite any other provision of this Agreement, any amount payable under this Agreement, which is calculated by reference to an amount paid or incurred by a party to this Agreement, is reduced by the amount of any input tax credit to which that party or a member of its GST Group is entitled in respect of that amount.

27. Confidentiality

The terms of this Agreement are not confidential and this Agreement may be treated as a public document and exhibited or reported without restriction by any party.

28. Release from Agreement

Once the Council is satisfied that the Owner/Developer has fully complied with all of its obligations under this Agreement, the Council agrees to provide a full release and discharge of this Agreement with respect of the whole of the Land. In such circumstances the Council will do all things reasonably necessary, including the execution of any documents to enable the Owner/Developer to remove any caveat and the notation of this Agreement on the title to the Land.

29. Jurisdiction

Any legal action or proceedings with respect to this Agreement against any party or any of its property and assets may be brought in the Courts of the State of New South Wales and, by execution and delivery of this Agreement that party accepts, for itself and in respect of its property and assets, generally and unconditionally the jurisdiction of the Courts of that State.
