MESSAGE FROM THE MAYOR

Cr John Faker Mayor

It is with pleasure that I present the Burwood Council Operational Plan 2016/17 to our community.

Council is building on the success of our previous years to ensure that we continue to deliver a range of services and initiatives to our community in line with our long term strategic plans.

Last year, we delivered on the visions of our community opening two new parks; the wetlands at Wangal Park and Barbara Holborow Park, the Burwood Park Pavilion and restored the iconic Woodstock Community Centre.

In 2016-17, we will be undertaking an exciting range of capital projects including Enfield Aquatic Centre upgrades and Stage 2 of Woodstock upgrades. In addition to delivering these projects for the community, we will continue to place a strong focus on improving local infrastructure through our extensive Capital Works Program, maintaining our roads, footpaths, kerbs and gutter and upgrading local playgrounds with modern play equipment, shade structures and rubber soft fall material to improve safety.

By now, you may be aware of the NSW Government's proposal to amalgamate councils across Sydney. At this stage it remains business as usual for Council which means we will continue to deliver new amenities in addition to our current provision of service.

The Operation Plan serves as the blueprint for our actions this year, ensuring that we achieve the goals and desires of our community on time and to a high standard. The plan also demonstrates accountability, transparency in the decision-making process and highlights a community based approached towards governance.

I look forward to working with my fellow Councillors, the staff and the community to ensure that our Council remains a leader in providing services to the community.

Cr John Faker

Mayor

MESSAGE FROM THE GENERAL MANAGER

Michael McMahon General Manager

The Operational Plan is derived from Council's four year Delivery Program, 2013-17, which sets out the actions the community has identified as high priority.

This Plan provides a blueprint for the next financial year to ensure that the goals and desires of the community, which are included in the Community Strategic Plan, Burwood 2030, are achieved.

This Plan details the individual projects and services that Council will undertake in the following financial year.

These activities will be resourced through the annual budget, which in turn is part of our Long Term Financial Plan. Over the past few years, Council has implemented numerous strategies to make Council a stronger, financially sustainable and more efficient organisation.

These strategies include the implementation on an audit committee, property strategy, new procurement and contract management practices and service reviews. We have also reduced the employment costs through reduction in senior staff positions, structural improvements and natural attrition.

These savings will allow Council to continue maintaining a high level of capital works to address the backlog in local infrastructure while delivering an intensive program of community services and civic events to residents and stakeholders throughout the year.

In addition to providing support to community groups, Council will work with local business to promote economic development in the area and take advantage of Burwood's position as the economic centre of the Inner West.

As with any plan or budget, our Operational Plan is based on a realistic understanding of our financial, staffing and asset capacity to deliver the targets identified for the next twelve months.

Changes in circumstances might require adjustments in prioritisation of projects and services, however Burwood Council will endeavour to keep its community informed throughout the process.

I look forward to working with the Council, the staff and the community in building a better Burwood.

Michael McMahon

General Manager

THE COUNCILLORS

The current Council was elected in September, 2012 for a four year term and the next Local Government Elections will be held in September, 2016.

The Councillors have been elected to represent the Community and their contact details are as follows:

Cr John Faker Mayor 9911 9916 mayor@burwood.nsw.gov.au

Cr George Mannah Deputy Mayor 0448 133 396 george.mannah@burwood.nsw.gov.au

Cr Sally Deans 0424 022 627 sally.deans@burwood.nsw.gov.au

Cr Tony Doueihi 0437 970 499 tony.doueihi@burwood.nsw.gov.au

Cr Lesley Furneaux-Cook 0408 227 826 lesley.furneaux-cook@burwood.nsw.gov.au

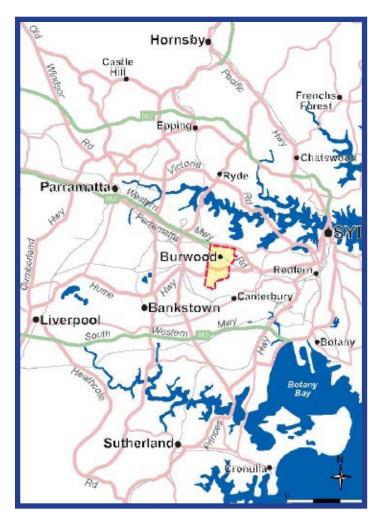

Cr Justin Taunton 0448 083 108 justin.taunton@burwood.nsw.gov.au

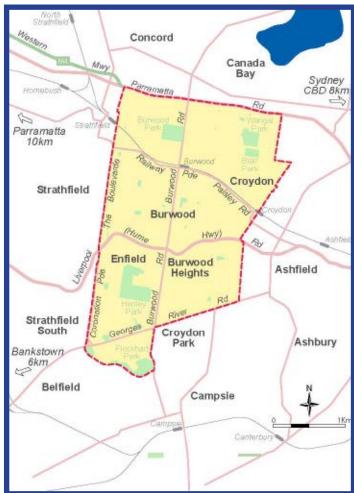

ABOUT BURWOOD

Burwood is located at the heart of the Inner West of Sydney

Burwood is a mixed residential and commercial area with

Burwood LC	S A
LOCALITY	
Area	7.26sq kms
Distance from Sydney CBD	12 km
DEMOGRAPHIC	
Estimated residential population	32,423
Projected population in 2026*	46,500

Public and private schools	12

OUR VALUES

Governance – consultation, accountability, transparency

Service – efficiency, effectiveness, responsiveness

Sustainability – prudence, innovation, preservation

Respect – honesty, fairness, dedication, integrity

OUR MISSION

To create a quality lifestyle for our citizens by promoting harmony, and excellence in the delivery of Council's service.

OUR GOALS

Service Delivery

We will develop a customer focussed organisation that provides cost effective services.

Development

We will ensure that present and future development contributes to, reinforces and enhances Burwood's identity, character, landscape, economic diversity and environmental sustainability.

Finance

We will develop an organisation which, whilst fulfilling the Council's obligations to the community, is financially sustainable.

Engagement

We will inform and positively consult with our external and interna stakeholders regarding Council directions and strategies.

OUR VISION

celebrates its culture and diversity.

COUNCIL CHARTER

The Local Government Act, 1993 provides for Councils to have the following charter:

- and facilities for the community and to ensure that those services and facilities are managed efficiently and effectively.
- To exercise community leadership.
- conserve the environment of the area for which it is responsible.
- To have regard to the long-term and cumulative effects of its
- and to effectively account for and manage the assets for which it is
- To facilitate the involvement of Councillors, members of the public, users of facilities and services, and Council staff in the development, improvement and co-ordination of Local Government.
- appropriate, by borrowings and grants.
- consistently and without bias, particularly where an activity of the Council is affected.
- To be a responsible employer.

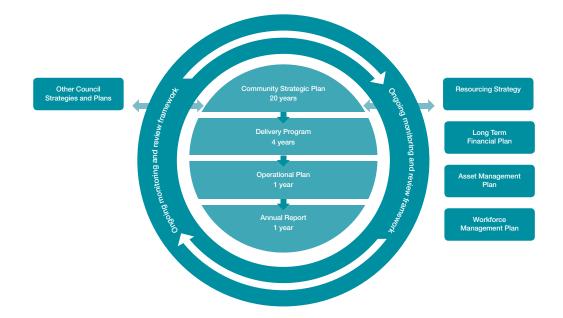

In accordance with the Integrated Planning and Reporting Framework introduced by the NSW State Government, Burwood Council has developed its 20 year Community Strategic Plan, Burwood2030. The Plan represents what the community identified as their needs and aspirations for the long-term future of Burwood, and it also outlines the strategies to achieve these goals.

Cascading from the 20 year Community Strategic Plan is the Delivery Program, a four year document listing the actions Council has identified as necessary to achieve the community's priorities.

The Delivery Program is then supported by an annual Operational Plan, which details Council's budget and identified the specific initiatives that are able to be funded each year.

However, these plans and priorities cannot be implemented without sufficient resources, such as assets, people, and money. That is why Burwood Council has developed a Resourcing Strategy, comprising our Ten Year Financial Plan, Asset Management Plan and Workforce Plan.

The components of the new Integrated Planning and Reporting framework are explained in the diagram below:

The Local Government Act, 1993 (Section 405) requires Burwood Council to prepare an annual Operational Plan detailing the activities to be undertaken to address each of the four years in the Delivery Program.

The Operational Plan has been prepared as a sub-plan of our Delivery Program. It directly addresses the actions outlined in the Delivery program and identifies projects, programs, and activities that Burwood Council intends to undertake within the financial year.

The 2016/17 Operational Plan identifies strategic goals, responsibilities and service standards, and follows the same five Key Themes that guide our Burwood2030 Community Strategic Plan.

The Themes have been colour coded for easy reference across the documents:

- **A Sense of Community**
- **Leadership Through Innovation**
- A Sustainable Natural Environment
- **Accessible Services and Facilities**
- **A Vibrant Economic Community**

These priorities will be resourced by our Ten Year Financial Plan, our Asset Management Plan and our Workforce Plan.

The Operational Plan and Budget was placed on public exhibition between 27 April and 24 May 2016, and members of the community were invited to express their views to Council.

The Operational Plan and Budget was made available at:

Burwood Council: Customer Service Counter Suite 1, Level 2, 1-17 Elsie Street, Burwood

Burwood Library and Community Hub: 2 Conder Street, Burwood

Council's Website: www.burwood.nsw.gov.au

REPORTING ON BURWOOD2030

Quarterly Council Review

The General Manager must ensure that regular progress reports are provided to Council as to its progress with respect to the principle activities detailed in the Delivery Program and Operational Plan. Progress reports are provided to the Council and to the public every quarter.

Annual Report

Council reports to the community every year on the progress in implementing the Burwood2030 Community Strategic Plan.

NEXT STEPS

This is achieved through an Annual Report and a Summary of the Annual Report, which is distributed to every household in the Burwood Local Government Area.

Burwood Council will establish a new Delivery Program after each ordinary election of Councillors to cover the principal activities of Council for a four year term commencing on the 1 July following the election.

The next Local Government Election will be held in September, 2016.

Principal Activities

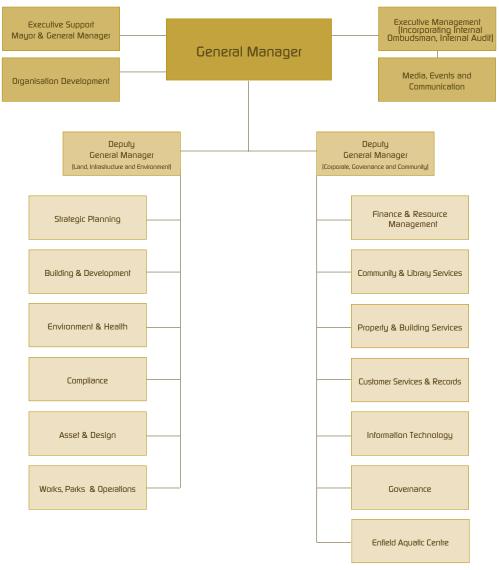

The Operational Plan has been prepared with a focus on services which allows the delivery of each of the Strategies outlined in the Burwood2030 Community Strategic Plan and in the four year Delivery Program. The plan's Principal activities show all of Council's services together with the Service Standard (Performance Measure) and Actions in order to deliver them. The Action and Performance Measure demonstrates how each action will be measured to ensure that Council is performing. The strategies have been formulated inline with each Division and Team's area of responsibility for delivering the Services.

There are three Divisions of Council:

- · Office of the General Manager
- Corporate, Governance & Community
- · Land, Infrastructure & Environment

COUNCIL'S ORGANISATIONAL STRUCTURE

HOW TO READ THE ANNUAL OPERATIONAL PLAN

Themes

The Operational Plan is divided into five themes:

- A Sense of Community
- **Leadership Through Innovation**
- **A Sustainable Natural Environment**
- Accessible Services and Facilities
- **A Vibrant Economic Community**

Strategic Goals

Each theme is divided into strategic goals, which address the priorities identified by the community during the Burwood2030 Community Strategic Plan consultation.

Responsibility

Identifies the team in Council responsible for the delivery of the specific strategic goal.

Service

The services Council carries out on an ongoing basis.

Action

The specific initiative that Council proposes to implement to achieve a strategic goal.

Service Standard

The performance indicator against which the actions will be measured.

Quarter

Indicates in which of the quarters Council plans to start or deliver the service.

Denotes Council has commenced the action or that the action is ongoing Denotes Council has completed the action Denotes no activities are scheduled for that quarter Denotes the action will commence and be completed in the same quarter

Cooperate and identify partnership opportunities with all local Chambers of Commerce.

OPERATIONAL PLAN 2016/17 - AREAS OF RESPONSIBILITY

Lead: Media, Communications & Events

Economic Development

5.1 - Support and manage Burwood's major centre status

5.1.1 - Implement economic development strategies.

Engage local Chambers of Commerce on major Council projects and promote a minimum of two meetings per year between Council management and Chambers' Presidents.

THEMES AND STATEGIC GOALS	RESPONSIBILITY	SERVICE	ACTION	SERVICE STANDARD (PEFORMANCE MEASURE)		2nd QTR OCT-DEC		4th QTR APR-JUN
5.1.2 - Pursue funding for infr	rastructure that supports commercial activities	such as public transport.						
	Lead: Traffic & Transport	Grant Funding	Apply for grant funding for transport facilities.	Number and value of successful grants.	•			
i.1.3 - Encourage mixed use b	buildings – commercial and residential to max	mise use of buildings in the to	own centre.		-1		,	
	Lead: Strategic Planning	Planning Instruments	Review planning provisions and/or development controls, in accordance with Council resolutions, in relation to mixed use.	Planning Policies to enhance and promote mix use.				•
5.2 - Support small business								
.2.1 - Develop programs to s	strengthen and sustain small businesses.							
	Lead: Environment & Health Secondary: Media, Communications & Events	Public Health	Implement an inspection program for premises that present a potential public health risk to ensure compliance with the requirements of the Food Act 2003, Food Safety Standards, Public Health Act 1991 & Regulations and the Local Government Act 1993 & Regulations.	Ensure all registered premises are inspected at least once per year and higher risk premises at least twice per year.	•	•	•	•
			Regulate and enforce the process in accordance with Food Act and Council's Enforcement Policy.	Monitor and record number of Improvement Notices, Prohibition Orders, Penalty Notices and Prosecutions issued by Council's Environmental Health Officers.	•	•	•	
		Education	Provide enforcement action information to NSW Food Authority to enable timely updating of Name and Shame Register for Food Shops.	Submit Annual Food Activity report to the NSW Food Authority by end of July each year.		0	0	0
			Conduct two food handling, hygiene and safety workshops for food shop operators.	Conduct two workshops per year. One of the workshops is to be in a language other than English.	0	•	0	
			Provide advice and factsheets to shop keepers in their preferred language about food safety and other health issues.	Environment and Health Officers to maintain supply of fact sheets in other languages for distribution at time of inspection and make them available on Council's website.	•	•		•
			Provide environmental and health advice and conditions on submitted Development Applications to ensure compliance with standards and legislation as necessary.	Examine and condition development applications as necessary.	•	•	•	
			Respond to and investigate public health complaints.	Report number of complaints investigated and actioned as part of quarterly reporting process.	•	•		•
5.2.2 - Support and facilitate of	opportunities for home based businesses to gr	ow and prosper, develop skill	s and enhance community capacity.					
	Lead: Strategic Planning	Planning Instruments	Review of Comprehensive Local Environment Plan (LEP) in response to emerging issues.	As required.	•			
5.2.3 - Explore opportunities t	to activate Burwood's economy after hours su	ch as markets on the weekend	ls or in the evenings including arts, crafts and farmers marke	ets.				
	Lead: Media, Communications & Events	Events	Investigate opportunity to hold markets in conjunction with other civic events.	Inclusion of market-type sections at Council's major civic events.	•		•	
			Develop civic events on weekends.	Majority of civic events held on weekends.				

THEMES AND STATEGIC GOALS	RESPONSIBILITY	SERVICE	ACTION	SERVICE STANDARD (PEFORMANCE MEASURE)			3rd QTR JAN-MAR	
5.3 - Increase employment and training opportunities								
5.3.1 - Build links and partner	erships with educational institutions for the deve	elopment of diverse local skills and	to increase local provision of employment and training	j for the community.				
	Lead: Organisational Development	Identify Opportunities	Provide opportunities within Council service provision for youth employment, student placements and traineeships where appropriate.	Continue to promote and support local learning institutions with work experience, traineeships and student placements opportunities.				•
5.4 - Economic centre growth	th and preserved residential areas							
5.4.1 - Preserve local heritage	ge through relevant planning strategies.							
	Lead: Strategic Planning Secondary: Building & Development	Heritage Protection	Ensure that all development applications relating to heritage items or Heritage Conservation Areas are referred to the Senior Strategic Planner – Heritage Adviser for comment.	80% of DA's relating to heritage items or Heritage Conservation Areas referred to Strategic Planning for comment to be answered within 10 days. 100% of DA's to be answered within fifteen days.			•	•

BUDGET 2016/2017

HOW TO READ THE BUDGET

Burwood Council's 2016/17 budget and four year projections have been developed with a clear focus on delivering the community's long term vision outlined in the Burwood2030 Community Strategic Plan.

The Operational Plan puts into action the objectives the community has identified as high-priority and forms part of the four year Delivery Program 2013-17.

The following major projects have been considered in the budget:

- Enfield Aquatic Centre Upgrade
- Woodstock Community Centre upgrade stage 2
- Parks and playground upgrades
- Ongoing infrastructure and renewal works

In addition to delivering these services to the community, Council is committed to maintaining long term financial sustainability and aims to achieve this through strategic planning and prudent investment.

In recent years, Council has made a concentrated effort to identify savings and efficiencies within the organisation in order to achieve the community's objectives without compromising service levels.

Following extensive community consultation, Council submitted an application to IPART for a special variation commencing in 2014/15 with an increase of 3.2% above the 'rate peg'. This has enabled Council to continue delivering projects to the community without reducing important services.

On 3 June 2014 IPART approved Council's application for a special rate variation, allowing for a four-year progressive increase, commencing in 2014/15. Council is in its third year of the increase.

Year	2016/17	2017/18
Rate increase (including	7%	7.5%
rate peg)		

The additional funding received from the special variation will be used to fund Council's comprehensive capital works program to upgrade local roads, footpaths, kerbs and parks.

Council will continue to update the community on which projects the additional funding is being spent on.

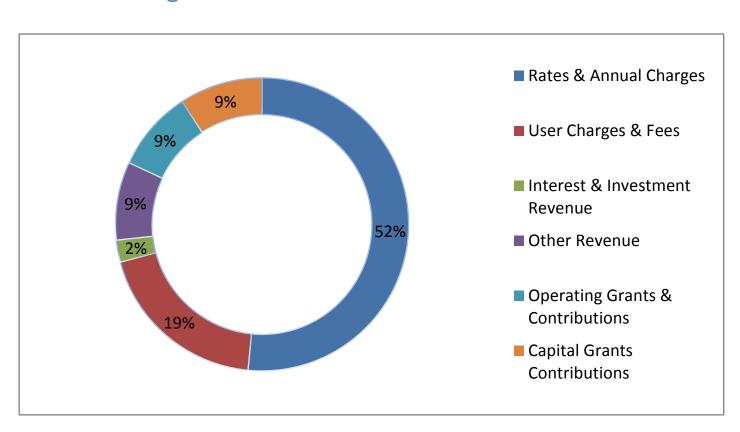

In addition to the annual budget, Council has included a four-year forecast.
