MAYORAL MINUTE

(ITEM MM18/18) PROPOSED INSTALLATION OF BOLLARDS AROUND WESTFIELD BURWOOD TO PREVENT ABANDONED TROLLEYS IN THE TOWN CENTRE

File No: 18/35734

Summary

For over a year I have been leading the fight on behalf of our community against the abandonment of shopping trolleys in Burwood.

During this time, I have met with representatives from Burwood Westfield, Coles, Woolworths, and their respective trolley collection companies in an endeavor to minimise the amount of trolleys being left overnight in the area.

Recently, Council implemented a new initiative to tag all abandoned trolleys. Once tagged, the offending retailer has a short time frame to collect the trolley before an infringement notice is issued and the trolley is impounded. In the last three months, Council has reported and removed 420 trolleys.

With all good intentions, the abandoned trolleys continue and, have not only become an eyesore and repository of rubbish, they also are being used for unsociable behavior that causes damage.

I am aware of the work by staff in an effort to educate the community and take action against offending retailers however I believe there needs to be a change in the process to eradicate this problem.

Therefore, I am proposing that Council investigate the design and installation of bollards around Burwood Westfield in order to prevent trolleys being taken out of shopping centres.

Operational Plan Objective

3.3.3 – Encourage the community to take pride in the cleanliness and maintenance of the area

5.3.2 – Maintain an attractive Burwood CBD

108/18 RESOLVED *(carried unanimously)*

1. The General Manager investigates the design and installation of bollards around Burwood Westfield.
2. The General Manager consults with relevant stakeholders and the community.

PROCEDURAL MOTION

109/18 RESOLVED *(carried unanimously)*

That the order of business change to facilitate the Mayor's declaration of Interest on Item 88/18 - Planning Proposal - 4 Mitchell Street Enfield (Former Vision Australia Site). The Mayor also stated that he will not be returning to the meeting after his leaving the Chambers, due to a prior commitment.

(Moved Mayor John Faker/Seconded Deputy Mayor Lesley Furneaux-Cook)

NOTICE OF MOTION

(ITEM NM3/18) REQUEST FOR DONATION FOR MULTICULTURAL FILM FESTIVAL 2019

File No: 18/35316

Councillor Ernest Chan to move that:

Background

The Multicultural Advisory Committee at their inaugural meeting identified a need for the local community to have opportunities to showcase the beautiful and colourful multicultural nature of Burwood.

One of the initiatives the Committee has been investigating is the delivery of a multicultural film event. The aim behind the initiative is to provide residents and frequent visitors access to short films that they wouldn't necessarily see in everyday cinemas, to bring them cultural experiences and insights that might allow them to look at people, communities and the world in perhaps a more interesting educated or enlightened way.

The Multicultural Advisory Committee proposes to hold a Multicultural Short Film Festival in conjunction with Harmony Day on Thursday 21 March 2019, held at Woodstock Park.

I think this is a worthwhile initiative as it encourages younger members of the multicultural community to get involved and foster the sense of coming together, as well as promoting the reactivation of Woodstock.

Operational Plan objective

1.1.4 Provide initiatives and facilities that encourage community participation and promote a healthy and harmonious lifestyle

1.4.3 Coordinate, facilitate and support inclusive cultural events and initiatives to celebrate community, diversity and cultural heritage

110/18 RESOLVED *(carried unanimously)*

That Burwood Council donates \$5000 to support the Multicultural Film Festival to be held on 21 March 2019 at Woodstock Park, from the recently adopted donations budget.

(Moved Councillor Ernest Chan/Seconded Councillor Raj Dixit)

CONFIRMATION OF MINUTES

111/18 RESOLVED *(carried unanimously)*

That the minutes of the meeting of the Council of Burwood held on Tuesday 21 August 2018, as circulated, be confirmed and signed as a true record of the proceeding of the meeting.

(Moved Deputy Mayor Lesley Furneaux-Cook/Seconded Councillor Heather Crichton)

File No: 18/32745

Summary

Applicant: O.T.A.R Investments Pty Ltd
Owner: O.T.A.R Investments Pty Ltd
Company Director(s): Valery Musman and Osman Ordukava

A draft Voluntary Planning Agreement (VPA) and Explanatory Note (EN) prepared in connection with a Development Application (DA) for 24 Burleigh Street Burwood have been publicly notified in accordance with the relevant legislation. The draft VPA will provide the developer to pay a monetary contribution to Council in lieu of a shortfall in parking. Council's endorsement is now sought to enter into the VPA after the granting of development consent by the Land and Environment Court.

Operational Plan Objective

2.1.3 Ensure transparency and accountability in decision making.

114/18 RESOLVED *(carried unanimously)*

1. That Council enter into the VPA for 24 Burleigh Street, Burwood for the provision of a monetary contribution of \$297,000 towards public facilities in accordance with the condition of consent for DA BD.2017.056, which requires that the monetary contribution be paid to Council on or before the date of execution of the VPA and prior to issue of the Construction Certificate.
2. That Council authorise the General Manager to sign the VPA and any related documentation under his Power of Attorney.
3. That Council authorise the General Manager to endorse the minor revisions of the VPA documents prior to execution.

(ITEM MM19/18) GENERAL MANAGER'S PERFORMANCE REVIEW

File No: 18/36726

Summary

Following the meeting of the Performance Review Panel held on 11 September 2018 which consisted of the Mayor, Cr John Faker, Deputy Mayor, Cr Leslie Furneaux-Cook and Cr George Mannah, with the support of council's Executive manager Organisation development, Brian Mortimer, who facilitated the Performance Review Panel meeting. The report details the outcomes of the discussions between the members of the Performance Review Panel and the General Manager, Bruce Macdonnell in relation to his Annual Review of Performance for 2017-2018. Cr Heather Crichton was also in attendance at the Performance Review Panel meeting as an observer for training purposes, as she is currently the alternate review panel member.

Detailed in the report are the agreed performance ratings arising from the Performance Review Panel's deliberations for each of the Strategic Objectives specified in the General Manager's Performance Agreement which was approved by Council. The report also included specific feedback from the Performance Review Panel to the General Manager on each of the Strategic Objectives, Key Performance Indicators and Organisational Values and Behaviours.

The Performance Review Panel's overall performance rating of the General Manager was 4.38% which represents a "Very Good to Outstanding" performance. The Performance Review Panel concluded that the General Manager has done an outstanding job in effectively leading and implementing Council's objectives, capital projects and instill a strong customer service culture since initially acting in the role from November 2017 and his subsequent appointment to the position of General Manager on 27 March 2018.

The Performance Review Panel unanimously agreed to recommend to Council that the General Manager be rewarded for his performance with an increase of the Total Remuneration Package as per the confidential Mayoral Minute effective from 1 July 2018.

123/18 RESOLVED *(carried unanimously)*

1. Council accepts the Performance Review Panel's determination of the General Manager's performance for the period ending 30 June 2018 and congratulates the General Manager on his performance.
2. Council approves the increase of the General Manager's Total Remuneration Package as per the confidential Mayoral Minute effective from the 1 July 2018.
3. That the Mayor be authorised to grant special leave to the General Manager for the purposes of Professional Development to be undertaken in 2018-2019 and to approve any of those identified activities in Part C of the Professional Development Plan for 2018-2019.
4. That the Mayor be authorised to consult with the General Manager and the Performance Review Panel to establish and approve the General Manager's Performance Plan for 2018-2019.

(ITEM 88/18) PLANNING PROPOSAL FOR 4 MITCHELL STREET ENFIELD (FORMER VISION AUSTRALIA SITE)

File No: 18/33478

Summary

The Planning Proposal (PP) for 4 Mitchell Street Enfield seeks to increase the maximum permitted building height from 8.5 metres to 18 metres and the maximum permitted floor space ratio (FSR) from 0.85:1 to 1.4:1, to facilitate a residential unit development. Also proposed are food and drink premises as an additional permitted use to assist in activating the edge to Henley Park. Assessment of the PP by Cardno (on Council's behalf) found that the PP could generally be supported. The Burwood Local Planning

Panel (BLPP) supported the PP by majority subject to conditions. It is recommended that the PP be submitted to the Department of Planning & Environment (DPE) for a Gateway Determination.

Operational Plan Objective

4.5.3 - Encourage architectural integrity and aesthetically appealing buildings

4.5.4 - Provide assessment of development proposals as per the *Environmental Planning & Assessment Act*

124/18 RESOLVED *(carried unanimously)*

That the planning proposal be refused for 4 Mitchell Street, Enfield for the following reasons:

- a. The planning proposal does not demonstrate strategic merit to increase FSR and heights above the existing provisions of the current zoning.
- b. Enfield is not identified as a strategic nor district centre under the three metropolitan centres and Eastern City District Plans
- c. There has been no strategic study or report on the site to justify the increase of FSR or heights
- d. BLEP sets out a planned and orderly approach to planning with uplift encouraged in the BTC and STC in order to protect the lower density residential character and streetscape of the properties outside these Centres. Council is concerned that the approval of the PP will create a precedent for other similar sites or future consolidated sites in the R1 zone and undermine this planning principle.
- e. Under the current BLEP, Burwood is set to meet its housing targets as set out under the Eastern City District Plan and therefore the strategic merit of the PP to increase housing supply is not met.
- f. Appropriate increase housing supply that reflects orderly planning can be met under the existing zoning provisions for the site. Therefore there is no strategic merit in the PP.
- g. The current provisions under the zoning for the site would allow for greater housing choice. It is noted that the Burwood LGA has adequate supply of residential flat buildings of this scale; it however, lacks smaller style medium density developments that are allowed under the current zoning provisions.
- h. While the existing former Vision Australia site was a non-complaint use, this is not a planning justification to increase the density or heights greater than that allowed under the current provisions of the R1 Zone.
- i. The applicant's traffic report has not considered existing traffic congestion resulting from the nearby primary school and not considered the narrow carriage of the local streets which are reduced to one lane due to pressure of on street parking.
- j. The applicant's traffic report has only considered movements north/south and not movements to and from the site from Coronation Parade or to Georges River Road, via Portland Street.
- k. The PP is outside what is determined walkability to the Burwood train station being 2 km from the Burwood Town Centre and station. The site is close to one bus stop only.

Councillors Joseph Del Duca and Raj Dixit called for a **DIVISION**.

The **DIVISION** was taken and the names of the Councillors voting FOR and AGAINST were as follows:

	<p>Community Building Partnership Grants for the following projects also in Henley Park:</p> <ul style="list-style-type: none"> ▪ 3 x upgraded Cricket practice nets ▪ 8 x upgraded fitness equipment stations <p>Staff are currently investigating projects that might fit under the Sports Australia program.</p>

The contract was not commenced as Remondis was unable to gain approval from the Department of Planning to establish the facility at that time.</p> <p>Following on from that, Council resolved to join SSROC in a joint contract for waste disposal which included the recovery of organic material from the waste stream.</p> <p>After much development and deliberation Council, together with five other SSROC Councils, entered into a ten year contract with Veolia which commenced in July 2017. (ITEM IN32/18) USE OF CONTRACT PANELS

File No: 18/7284

Summary

Council's Purchasing and Contract Management Corporate Practice and Procedure has a requirement in place that allows for the rotation of suppliers on contract panels. The purpose of this is to ensure that work is allocated fairly between panel members. Council resolved on 17 February 2014 that an annual report on expenditure relating to these panels be presented to Council.

It is the responsibility of Council's Contract Managers and Council Officers that have been authorised to use contracts to ensure that this requirement is applied.

Southern Sydney Region of Councils (SSROC) panels has been included in this report. However, please note that since these panels are made up of 'preferred suppliers', Council Officers are still required to follow Council's Purchasing and Contract Management Corporate Practice and Procedure guidelines and seek a number of quotations from panel suppliers in order to make a purchasing decision. It would not be in Council's best interest for Council Officers to make this decision based on panel rotation alone. The process allows the use of Prescribed Agencies, under Section 55 of the Act, hence both Local Government Procurement (LGP) and Procurement Australia (PA) contracts can be utilised.

The attachment to this report, Attachment '1', includes information on each of Council's panel contracts and details the number of invoice transactions completed for each panel member during the current Financial Year. Contractor expenditure is also included.

Council's Internal Panel Contracts

1. Provision of Civil Works – Contract Expires 28 February 2018 (currently being renewed)
2. Provision of Legal Services – Contract Expires 3 January 2019
3. Provision of Stormwater Drainage Maintenance – Contract Expires 30 June 2018 (currently being renewed)

SSROC Contracts

1. Data Centre and Business Continuance Services
2. Fire Services
3. HVAC, Heat, Ventilation and Air Conditioning
4. Linemarking
5. Pest Control Services
6. Road signs and Traffic Control Equipment
7. Temporary Staff

128/18 RESOLVED *(carried unanimously)*

That Council receive and note the Use of Contract Panels information report.

(ITEM 95/18) TENDER FOR PROVISION OF CIVIL WORKS BURWOOD COUNCIL

File No: 18/33993

Summary

This report summarises the tender process undertaken in relation to the tender for the Provision of Civil Works, to determine a panel of appropriately experienced and qualified preferred contractors to carry out construction and maintenance works on roadways and footpaths within the Burwood Council Local Government Area (LGA) for an initial period of two years with a one year extension based on a review of each contractors performance. The tenderers were required to submit a schedule of Quality Assured rates for the services they could provide to Council.

The preferred contractors were established in accordance with the work areas or disciplines defined in Attachment "A" of the Tender Documents. These areas were: excavation and removal of material; concrete works; kerb and gutter works; segmental paving works; nature strip works; sub-grade and base course repairs; asphalt footpath

and road pavement; saw-cutting works; drainage works, traffic control and complete process.

During the tender assessment, the methodologies used to assess and score the contractor's submissions are defined in **Attachment "1"**. All the tenderers were selected for recommendation as a panel contractor and are included in this report.

Council's Operational Plan Objective

2.2.2 Develop Strategic Partnerships that will benefit the area and the community

129/18 RESOLVED *(carried unanimously)*

1. That in relation to the Tender for the Provision of Civil Works, the proposed appointments of the Contractors (listed in the table contained in the **Conclusion** section of this report) be accepted and awarded as a Panel Source supplier in no order of preference to Burwood Council for the period of 1 October 2018 to 30 September 2020.
2. That a provision be allowed for a 12 month extension based on a satisfactory supplier performance which may take contract through to 30 September 2021.
