Enfield Aquatic Center 90th Celebration

On Saturday 18th November 2023, the community came together to celebrate Enfield Aquatic Centre turning 90.

We would like to thank everyone who attended and made it a really special day!

We would like to give a special shoutout and a big THANKYOU to Enfield Lifesaving Club and Enfield Swim Club for providing a delicious sausage sizzle BBQ.

Water Safety

The busiest time of year for Public Pools is in Summer.

It is important to note that lifeguards cannot watch your children for you. You still need to supervise children at all times while at the pool. The best thing parents and carers can do to protect children is to always supervise children around the water. Keep Watch and keep them within arm's reach.

Parents should:

- Watch your own child/children
- Know that lifeguards are there to watch everyone in the pool and cannot watch your child - they are not babysitters
- Be aware that other adults are not watching your children
