We currently have School Programs at the centre through to the end of the year.

School Carnivals will be commencing from October 2024 to March 2025.

Be sure to view our online Live Pool Availability Schedule and School Carnival Schedule prior to visiting the centre to know when the facilities are best available.

Please note, changes to the schedule and pool space can occur at any time.

LEARN TO SWIM & SQUADS PROGRAMS

We have exciting news for our Learn to Swim and Squads program!

From 2025, our Pre-school aged levels Turtles, Seahorse and Sea Otter will be changed to Guppy (Beginner), Cuttlefish (Intermediate) and Flounder (Advanced).

In line with Royal Life Saving Australia, our NEW Preschool criteria will focus on developing key swimming and safety skills, which increases student's mobility and independence, thus lowering the risk of drowning and keeping children safer in and around the water.

Squads Program from 2025 will have a new timetable to provide greater flexibility to our Squad families!

This includes new criteria to provide clear goals for our students and extended sessions for our Senior Squads to provide an enhanced progression experience.

It is important to note that due to the new timetable we cannot guarantee the same day or time as existing Term 4 bookings.

Enrolments for Pre-School and Squads Term 1 will open from 16th December 2024 (Current Students Changes Week).

Enrolments for Holiday Intensives will commence from Monday 9th December 2024.

FUN IN THE SUN AT ENFIELD AQUATIC CENTRE

We're all about making every day fun and safe here at Enfield Aquatic Centre!

With the Aussie sun shining bright, don't forget to Slip on a shirt, Slop on some sunscreen, and Slap on a hat to protect you and your family from those strong UV rays!

To ensure everyone enjoys their time at the centre, we kindly remind all visitors to follow our pool rules:

1. No running on pool deck - it's slippery!
2. No bombing, flipping or manus - let's keep everyone safe!
3. No smoking anywhere within the centre - breathe in that fresh Summer air instead!

Supervision is key to safety, especially for our youngest visitors. That's why we follow the Royal Life Saving Keep Watch Policy:

- 0-5 years: Always keep little ones within arm's reach.
- 6-11 years: Stay close by with eyes on them at all times and be ready to hop in the water at a moment's notice.
- 12-15 years: Maintain constant supervision - even the big kids need a watchful eye.

Let's make a splash this Summer and create happy memories while keeping everyone safe!
