As previously stated, I was advised that, in my capacity as Mayor of Burwood, I could still be involved in advocacy and in community representation. As such, I am tabling a Mayoral Minute tonight to summarise the ongoing advocacy work undertaken by Council and to call for further clarification on some important points that are of concern to our community. However, in relation to the Notice of Motion, because it calls for specific actions, I will be vacating the meeting and I will ask the Deputy Mayor to take the chair.
